2018 Range Program

The Eagle Imports Range Program provides a source of firearms to be used on qualified ranges for safety training, firearms familiarization, and recreational shooting.

- Ranges may select a minimum of three and a maximum of six firearms from the approved Range Gun listing on a single order every six months. Ranges are suggested to support a minimum of one firearm from each of the Eagle Imports brands: Bersa, Metro Arms, and Grand Power.
- We encourage support of all Eagle brands, however we recognize each dealer and range has unique needs. Please order based on your specific needs and we will do our best to accommodate.
- By participating in the Eagle Imports Range Program, the range operator agrees to maintain the firearms for use at the facility for a minimum of six months after shipment.
- Valid FFL required.
- Special Range Program pricing.
- Payment terms are net / 90.
- All range pistols are backed by factory warranties.
