2016 Range Program

The Eagle Imports Range Program provides a source of firearms to be used on qualified ranges for safety training, firearms familiarization, and recreational shooting.

- Ranges may select a minimum of three (3) and a maximum of six (6) firearms from the approved Range Gun listing on a single order every six (6) months. Ranges must support a minimum of one (1) firearms from each of the Eagle Imports brands: Bersa, Metro Arms, and Grand Power.
- By participating in the Eagle Imports Range Program, the range operator agrees to maintain the firearms for use at the facility for a minimum of six (6) months after shipment.
- Valid, signed in ink FFL required.
- Payment terms are net / 90.
- To arrange for a visit, please contact your local Eagle Imports representative and ask to speak about our Range Program. Final approval is at the discretion of the local Eagle Imports representative.
- All range pistols are backed by factory warranties.
